How to Take Authentic Environmental Portraits

Environmental portraits help capture an authentic portrait of your subject, where they are recognizable and look natural, like many of the famous Depression-era farm photos. Learn how to take this type of portraits in this workshop. This workshop will include a Powerpoint presentation featuring examples of modern and historic environmental portraits, as well as tips on the best camera settings to use for portrait photographs.

Poway branch
13137 Poway Rd, Poway, 92064

Sunday, March 14, 2 PM

Please bring your digital camera so that you can practice during class.

The Big Read is an initiative of the National Endowment for the Arts in partnership with the Institute of Museum and Library Services and Arts Midwest.
