Create Your Own Story

Connecting to the San Diego County Library Internet Anywhere Mobile Hotspots
***Service Expires June June 30, 2024**

1. Power on device. *Press and hold the power button for about 3-seconds.

2. Using your computer/phone locate the Wi-Fi icon and click on it to open available networks.
   *The example below is from a Windows 10 device and may differ if you are using an Apple Mac or Chromebook

3. Pick the option that starts with **COSD-LIB-MIFI**X**,** *[X is the number associated with the MiFi]* (then select 'Connect Automatically')

4. Type the network password on your computer/phone: **iloveSDCL!**
   *The password can be found on the LCD Display screen on the Hotspot Device.

5. You should now be connected. Open a web-browser to access the internet and enjoy family appropriate internet.
